Foot Notes

[1] To record video, SD/SDHC card with Class 4 or higher performance is required. SD memory cards (256MB to 2GB) and SDHC memory cards (4GB to 32GB) have been tested for the following brands: Panasonic, Toshiba, SanDisk, ATP. Note that using other media may result in recording failure or data loss. For compatibility of memory cards, please consult an authorised JVC dealer. [2] The value of 35mm film equivalent is for Still mode. [3] When using a 32GB SDHC card (not provided)
