Foot Notes

[1] To record video, a microSDHC card with Class 4 or higher performance is required. Digital stills can be recorded on both microSD and microSDHC cards. microSD memory cards (256MB to 2GB) and microSDHC memory cards (4GB to 8GB) have been tested for the following brands: Panasonic, Toshiba, SanDisk, ATP. Note that using other media may result in recording failure or data loss. For compatibility of memory cards, please consult an authorised JVC dealer. [2] without battery / with included battery
